

WE SHIFTED TO NEW FLAGSHIP OFFICE IN BENGALURU

With immense pleasure, we are pleased to inform you all that we moved to our new, smarter and sustainable business premise. We would like to take this opportunity to thank you all for your kind support & patience during our shifting process. We are very excited about this move and as always, remain committed to providing the same excellent sustainable design services to you always and all the ways for mutual growth. New office premises is even more promising for us as it supports our productivity due to various sustainability features incorporated. We started enjoying this new flagship office environment. Thanks to various agencies involved in the implementation, more specifically **M/s. Mistry Architect** for their excellent design support to make this place wonderful place to enjoy working. We believe in **“practice what we preach”** and this new office is a true reflection on this principle.
